GOVERNOR OF THE MONTH

FEBRUARY

Max Czech

Why did I choose to be a governor at Elloughton?

I absolutely Love Elloughton Primary and wanted to get to know the school better. When I saw how much the school did: OPAL, School trips, rewards, etc, I wanted to see how I could get involved.
I also wanted to give some time back and get closer to the children and experience it closer to their point of view.

My favourite thing about being a governor is...

Getting to know staff members and children better. Understanding school education programmes better. Helping the school in areas where the school needs it. Learning new ways of working or challenges different to industry.

All about me!

I was born and grew up in France and moved to the UK in 2012 to study Chemistry in York. I have lived in Yorkshire ever since and I am now French and British. I have 2 children at Elloughton School Sienna in Year 1 and Luca in Year 5. I play Piano and like riding the bike, running, skiing and camping, anything outdoors. I work in Hull in industry where we make bandages and medical devices for people who are not very well when staying in hospitals.
