To secure a place for your child on any of the clubs listed above, please book and pay via Reach More Parents > Payments > Trips & Offers when clubs open for booking. Confirmation of payment on Reach More Parents is also confirmation that your child has a place in the club. **Places are available to book at the date/time shown on the email; spaces are limited so please book early to avoid disappointment.**

All clubs, under Health & Safety, have a maximum limit set. Reach More Parents will count down as each place is booked. Places will be allocated on a first come first served basis so prompt payment is essential to guarantee a place. Please do not send your child to a club unless you have paid.

In the event of bad weather, we will endeavour not to postpone outdoor sessions and conduct indoor activity/coaching sessions where possible. If a club is cancelled, we will reschedule the session, unless the club is run by an outside provider and no refund will be issued. All of the after school activity clubs run from the end of school and finish at 4:30pm unless it states otherwise, please collect your child from the school office for indoor clubs and from the gate at the end of the staff car park for outdoor clubs.

**If you book your child onto any of our clubs, please remember to cancel any After School Club bookings you may have already made.**

## **CLUB OVERVIEWS**

### **Gardening Club - Year 3-6**

Our main area for gardening is the school's allotment area where we have had a great selection of vegetables in the past. We have some new fruit areas too and so are hoping for some good harvests this year. The gardeners will also take ownership of some other areas within the school grounds, helping to keep our school looking beautiful, tidy and colourful. Previous activities have included, seed planting, weeding, garden design and wreath making using items foraged on school grounds. We try and stay outside as much as we can and so the gardeners are invited to bring some waterproof clothes for each session.

### **Ultimate Frisbee - Year 3-6**

A non-contact team sport played with a flying disc frisbee. Two teams compete on a playing field with an end zone at each end. Each team defends one end zone. They score a goal if one of their players catches the disc in the opposite end zone.

### **Watercolour Painting Club - Year 1-2**

A fun club to introduce young artists to the basics of watercolour painting, learning techniques and ideas through simple projects.

### **Cookery Club - Year 2-6**

Children will learn to cook a variety of sweet and savoury treats, learning new skills and recipes over the weeks.

### **Rounders - Year 3-6**

The children will learn the rules and skills required for rounders and have fun playing it!

### **Film Club - Year 1-2**

For children interested in watching films and who want to know a little more about how they are made. Each week we will be watching a film (sometimes with a little snack) and talking about what we liked, what we didn't like and what we would improve.

### **Netball - Year 3-6**

Children will practise passes and other skills, learning new drills and practising game play in a variety of positions.

### **Painting, Art & Craft Club - Year 3-6**

Children will get the chance learn a range of art & craft techniques such as paper making, making stamps, decoupage, marble ink and jewellery making.

### **Futsal - Year 5-6**

Provided by external provider, Danny Clarke. A football-based game played on a hard surface smaller than a football pitch and has similarities to five-a-side football.

### **Lego Club - Year 1-6**

Children will be challenged as a team to make a different structure each week. They will use and develop teamwork and problem-solving skills to complete the task.

### **Young Playwrights - Year 3-6 - (Children must register for the full summer term)**

Come and enjoy a mixture of games, mindfulness, and lots of laughter as you are guided through creating your own story. Each week we build on characters, plot and how to push your ideas so they are full of drama. Then we are ready to work together to bring your play to life. Great for children who are natural writers and those who need a helping hand. We are dyslexia friendly in our approach and all ability levels can take part with ease. Develop your imagination, grow in confidence, play with stories... and most importantly join in 'biscuit circle' - the yummiest way to share your ideas.

**Football - Year 2-4**

Children will learn and practise basic football skills and drills and take part in match play to help develop their understanding of the game.

**Quiz Club - Year 3-6**

Quiz Club runs the largest National Championship for primary school aged children in the country. The quiz is presented live online by our professional Quizmaster and the children play using a device which the system converts to a handset. This enables children from schools across the country to be included, making it a unique after school experience for the players, with children teaming up with each other from around the UK. As well as the quizzes being fantastic fun, they are also highly educational and inspiring. In true Pub(less) Quiz style, Mrs Fulstow will provide the drinks and crisps!!

**Tennis - Year 3-6**

Provided by Nuffield Tennis, expert coaches will deliver sessions designed to develop the skills required to play tennis.
