Elloughton Primary is committed to ensuring all its pupils receive a full-time education which maximises opportunities and achievement for all. For pupils to gain the most from their time at Elloughton Primary, it is vital that they maintain excellent attendance and punctuality and we are committed to supporting pupils and their parents and carers in sustaining this throughout their time at school. In doing so, we will:

- Set high expectations for the attendance and punctuality of all pupils.
- Ensure that all pupils access full-time education which meets their needs and allows them to reach their potential.
- Strive to provide a welcoming, caring and safe environment where each pupil can engage in all the learning opportunities offered.
- Ensure pupils maximise their potential and gain maximum benefit from their time at Elloughton Primary School.
- Promote good attendance and punctuality and discourage unjustified absence.
- Prepare and ensure pupils are ready for secondary school by promoting the importance of good attendance and punctuality.
- Act early to address patterns of absence.
- Commit to building strong relationships with families to ensure pupils have the support in place to attend school.
- Continue to emphasise that it is everyone's responsibility to improve attendance and punctuality.

Legislation and guidance

'

This policy is based on the Department for Education's (DfE's) statutory guidance on Working Together to Improve School Attendance' (19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of The Education Act 1996
- Part 3 of The Education Act 2002
- Part 7 of The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013
  It also refers to:
- Keeping Children Safe in Education

- Work with the school where support to improve their child's attendance is being offered.
- In accordance with our moral compass have integrity, be honest and truthful when providing reasons for a child's absence and not encourage a child to be dishonest about their non-attendance.

- To support this, governors receive information about school attendance and absence rates at each Pupil Standards and Development Committee meeting.

Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the school day and once at the start of the afternoon session. We will use the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024 whether every pupil is:

- Present.
- Attending an approved off-site educational activity.
- Absent.
- Unable to attend due to exceptional circumstances.

We will also record:

- Whether the absence is authorised or not.
- The nature of the activity if a pupil is attending an approved educational activity.
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances.

All pupils must arrive in school by 8.55am on each school day. The register for the first session will be taken at 8.55am and will be kept open until 9.25am. The register for the second session will be taken at 1.05pm and will be kept open until 1.15pm. At the end of the morning or afternoon session a registration mark may be amended if a child has not attended for the majority of the session and no valid reason is provided by a parent for taking their child out of school.

Unplanned absence

Reporting an Absence
Parents and carers must report an unplanned absence by 8:55 AM on the first day, or as soon as practically possible, by calling 01482 666231 or emailing admin@epsch.co.uk

School Follow-Up and Welfare
If an absence is unreported, the school will take the following steps:

- Days 1 & 3: Staff will call parents/carers to establish a reason for the absence.

- Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school may ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. A home welfare visit will be conducted or sooner if there is doubt about the reason provided.

Authorisation and Medical Evidence

Absences for physical or mental illness are marked as authorised unless there is a genuine concern regarding authenticity.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer provides evidence of the appointment and where possible inform the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 6 to find out which term-time absences the school can authorise.

Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L).
- After the register has closed will be marked as absent, using the appropriate code (U).

We define (L) as pupils who arrive after 8.55 but before 9.25am. In the afternoon pupils will be defined as late who arrive after 1.05pm but before 1.15pm.

We define (U) as pupils who arrive after 9.25am/1.15pm.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, we will:

- Call and email the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If we cannot reach any of the pupil's emergency contacts, we may contact police and other relevant Local Authority agencies.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session.
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the Education Welfare Service.
- Where appropriate, offer support to the pupil and/or their parents/carers to improve attendance.
- Identify whether the pupil needs support from external agencies, as quickly as possible, and make the necessary referrals.
- Where support is not appropriate, not successful, or not engaged with consider further action as detailed in the next section.

Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels. This will be done once a year unless a child's attendance is causing concern and the school will contact a parent by letter in order to make them aware of the attendance level and offer support to improve attendance.

Authorsied and unauthorised

Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be exceptional circumstances. There is no longer a provision in law for Headteachers to authorise an absence for the purpose of a term time holiday.

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence. An 'Exceptional Absence Request Form' should be completed which is accessible via the school office or website.

Valid reasons for authorised absence include:

- Physical or mental illness and medical/dental appointments (see unplanned absence for more details)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.

Exceptional circumstances could include:

- Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue.
- The death of a person close to the family.
- To attend a wedding or funeral of a person close to the family.
- Where there are exceptional and unforeseen circumstances that fall outside of the above, the headteacher agrees to consult with the Senior Education Welfare Officer prior to any authorisation being given to the parent. The Senior Education Welfare Officer will discuss each case with an independent Headteacher and will make a recommendation to the referring school.

Please note: Evidence would be required in each case.

If a request meets the above exceptional circumstances but falls within the following times, the headteacher must be convinced that absence from school is the only option:

- The first half-term of any academic year (applies to all pupils)
- Year 6 transition day (for pupils in Year 6)
- Year 6 SATs week (for pupils in Year 6)

Legal action to enforce school attendance

Local Authorities and schools can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carer must pay the Local Authority £80 within 21 days or £160 within 28 days. The payment must be made directly to the Local Authority. If the payment has not been made after 28 days, the Local Authority can decide whether to prosecute or withdraw the notice.

In line with statutory guidance (Working together to improve school attendance) headteachers will decide whether it is appropriate to issue a penalty notice for any pupil where their attendance meets the national threshold for issuing a penalty notice.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded/suspended pupil is found in a public place during school hours without a justifiable reason

Strategies for promoting attendance

To support high levels of attendance, the school will continually monitor and act to improve attendance. Attendance data will be analysed weekly by the school administration team. Our monthly newsletter includes information on attendance and promotes the importance of regular school attendance. Where action is required, this will follow a staged approach as outlined below.

Stage 0 - Refers to the approaches taken to promote high attendance for all pupils across school. This involves continued monitoring of attendance to identify and intervene with attendance concerns early. Parents / carers of all pupils who are absent without reason, will be contacted on the first day of absence.

Stage 1 - Email where a pupil's attendance falls below 95%, parents/carers will receive a Stage 1 letter to notify of monitoring and to support an improvement in attendance.

Stage 2 – Where a pupil's attendance falls below 90%, parents/ carers will receive a Stage 2 letter to notify of monitoring and to support an improvement in attendance.

Stage 3 - Parents/guardians will be sent a Stage 3 letter where a pupil's attendance falls below 85%, inviting them to a meeting with the Headteacher.

This meeting will be to discuss ways to support sustained improved attendance for the pupil. An Attendance Contract (see appendix 7) may be put in place with targets for improvement.

Stage 4 – Where a pupil's attendance remains less than 85% and does not improve and continues to fall and the targets set in the Attendance Contract have not been attained, a Stage 4 letter will be sent out. This will invite parents/carers to an attendance meeting with the Headteacher and the Local Authority

Education Welfare Officer (EWO) to review the contract and ascertain next steps under the guidance of the Local Authority.

Attendance monitoring

Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern.

Pupil-level absence data will be collected each term and published at national and Local Authority level through the DFE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the Governing Body.

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The school will:

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Hold regular meetings with the parents/carers of pupils who the school considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.
- Provide access to external agencies to remove the barriers of attendance.

Monitoring and review

This policy will be reviewed as guidance from the Local Authority or DfE is updated, and as a minimum yearly by the Headteacher/Senior Leader with responsibility for attendance. The policy will be approved by the Full Governing Body.

Appendix 2: Attendance Codes

The following codes are taken from the DfE's guidance on school attendance.

Register Code Updates: from 19 August 2024 onwards

Codes with no changes

/ \	Present	Present at the school / = morning session \ = afternoon session
B	Attending any other approved educational activity *Statistical authorised absence	The pupil is attending a place for an approved educational activity that is not a sporting activity or work experience. The educational activity must take place during the session for which it is recorded. A pupil can only be recorded as attending a place for an approved educational activity if: • the place is somewhere other than the school, another school where the pupil is registered, or a place where educational provision has been arranged for the pupil by a local authority. • the activity is of an educational nature; • the school has approved the pupil's attendance at the place for the activity; and • the activity is supervised by a person considered by the school to have the appropriate skills, training, experience and knowledge to ensure that the activity takes place safely and fulfills the educational purpose for which the pupil's attendance has been approved. Schools have responsibilities for the safeguarding and welfare of pupils attending an approved educational activity. The school will need to be satisfied that appropriate measures have been taken to safeguard the pupil. Schools should ensure that they have in place arrangements whereby the provider of the educational activity notifies the school of any absences by the pupil. The school must record the pupil's absence using the relevant absence code. As set out in the DfE's guidance on 'Providing remote education'. pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. Schools should keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register.

C	Leave of absence for a compulsory school age pupil subject to a part- time timetable *Statistical authorised absence	All schools are able to grant a leave of absence at their discretion. A leave of absence should not, and from school maintained by a local authority or a special school not maintained by a local authority, must not be granted unless there are exceptional circumstances.
		Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request. Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school. A leave of absence is granted entirely at the school's discretion. Schools maintained by a local authority and special schools not maintained by a local authority can only grant such a leave of absence under regulation 11(11), where an application is made in advance by a parent the pupil normally lives with (or the pupil if they will be over compulsory school age by the time of the absence). Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance. Schools that are not required to follow regulation 11, must still use this code to record where a pupil is absent with leave for a reason that is not covered by another leave of absence code. **Pregnant pupils** Leave for maternity is treated like any other leave of absence in exceptional circumstances. Schools are expected to act reasonably and grant a sufficient period of leave from school, taking into consideration the specific facts and circumstances of each case. Ultimately, it is at the school's discretion how much leave to grant.
D	Dual Registered at another school *Statistical authorised absence	The law allows a pupil to be registered at more than one school. This code is used to indicate that the pupil is absent with leave to attend the other school at which they are registered. The main examples of dual registration are pupils who are attending a pupil referral unit, a hospital school or a special school on a temporary basis. The school at which the pupil is scheduled to attend must record the pupil's attendance and absence with the relevant code. Code D may only be used by either school for a session where the pupil is scheduled to attend the other school at which they are registered. Schools should ensure that they have in place arrangements whereby all unexpected and unexplained absences are promptly followed up.

E	Suspended or permanently excluded and no alternative provision made (prior to 6th day provision) *Statistical authorised absence	The pupil is suspended from school or permanently excluded from school, but their name is still entered in the admission register, and no alternative provision has been made for the pupil to continue their education. When a pupil of compulsory school age is suspended or permanently excluded on disciplinary grounds from a maintained school, pupil referral unit, academy, city technology college, or city college for the technology of the arts, alternative provision must be arranged from the sixth consecutive school day of any suspension or permanent exclusion. Where alternative provision is made for the session in question and the pupil is attending it, schools should record this using the appropriate attendance code in regulation 10(3) Table 2 or if the pupil is attending another school at which they are a registered pupil, schools should record this using code D (dual registered at another school).
G	Holiday not granted by the school *Statistical unauthorised absence	The school has not granted a leave of absence and the pupil is absent for the purpose of a holiday. A school cannot grant a leave of absence retrospectively. If the parent did not apply in advance, leave of absence should not be granted.
I	Illness (not a medical appointment) *Statistical authorised absence	The pupil is unable to attend due to illness (both physical and mental health related). Schools should advise parents to notify them on the first day the child is unable to attend due to illness. Schools are not expected to routinely request that parents provide medical evidence to support illness absences. Schools should only request reasonable medical evidence in cases where they need clarification to accurately record absence in the attendance register – i.e. making a decision that code I is the absence code that accurately describes the reason the pupil is not in school for the session in question. In the majority of cases a parent's notification that their child is too ill to attend school will be that evidence and can be accepted without question or concern. Only where the school has genuine and reasonable doubt about the authenticity of the illness should medical evidence be requested to support the absence. Where medical evidence is deemed necessary, schools should not be rigid about the form of evidence requested and should speak to the family about what evidence is available. Schools should be mindful that requesting additional medical evidence unnecessarily places pressure on health professionals, their staff and their appointment system, particularly if the illness is one that does not require treatment by a health professional. Where a parent cannot provide

		evidence in the form requested but can provide other evidence, schools should take this into account. Where a parent cannot provide any written evidence the school should have a conversation with the parent which may in itself serve as the necessary evidence to record the absence.
L	Late *Statistical authorised absence	The pupil was absent when the register started being taken but arrived before the register was closed. All schools are expected to set out in their attendance policy the length of time the register will be open, after which a pupil will be marked as absent. This should be the same for every session and not longer than 30 minutes.
M	Leave of absence for the purpose of attending a medical or dental appointment *Statistical authorised absence	Schools should encourage parents to make appointments out of school hours. Where this is not possible, they should get the school's agreement in advance and the pupil should only be out of school for the minimum amount of time necessary for the appointment. Schools maintained by a local authority and special schools not maintained by a local authority can only grant leave of absence for this under regulation 11(11), where an application is made in advance by a parent the pupil normally lives with (or the pupil if they will be over compulsory school age by the time of the absence), and the school is satisfied that, based on the individual facts of the case, there are exceptional circumstances which justify the leave. Schools that are not required to follow regulation 11, must still use this code to record a leave of absence has been granted for the purpose of attending a medical or dental appointment. If a pupil is present at registration but then leaves the school to attend a medical or dental appointment during the session in question, no absence needs be recorded for that session
N	Reason for absence not yet established *Statistical unauthorised absence	Schools must follow up all unexplained and unexpected absences in a timely manner. Every effort should be made to establish the reason for a pupil's absence. When the reason for absence has not yet been established before the register closes, the absence must be recorded with code N. Where absence is recorded as code N (reason not yet established) in the attendance register, the correct absence code should be entered as soon as the reason is ascertained, but no more than 5 school days after the session (regulation 10(7) to (9)). Code N must not therefore be left on the pupil's attendance record indefinitely; if a reason for absence cannot be established **within 5** school days, schools must amend the pupil's record to Code O.

O	Absent in other or unknown circumstances *Statistical unauthorised absence	Where no reason for absence is established or the school is not satisfied that the reason given is one that would be recorded using one of the codes statistically classified as authorised.
P	Participating in a Sporting Activity *Statistical authorised absence	The pupil is attending a place for an approved educational activity that is a sporting activity. The sporting activity must take place during the session for which it is recorded. A pupil can only be recorded as attending a place for an approved educational activity if: ● the place is somewhere other than the school, another school where the pupil is registered, or a place where educational provision has been arranged for the pupil by a local authority. ● the activity is of an educational nature; ● school has approved the pupil's attendance at the place for the activity; and the activity is supervised by a person considered by the school to have the appropriate skills, training, experience and knowledge to ensure that the activity takes place safely and fulfills the educational purpose for which the pupil's attendance has been approved. If schools have concerns about the appropriateness of an activity, they can seek advice from the sports' national governing body. The final decision on approving the activity, however, rests with the school and they should take the effect on the pupil's general education into account. Schools have responsibilities for the safeguarding and welfare of pupils attending an approved educational activity. The school will need to be satisfied that appropriate measures have been taken to safeguard the pupil. Schools should ensure that they have in place arrangements whereby the provider of the sporting activity notifies the school of any absence by the pupil. The school must record the pupil's absence using the relevant absence code.

R	Religious observance *Statistical authorised absence	The pupil is absent on a day that is exclusively set apart for religious observance by the religious body the parent(s) belong to (not the parents themselves). As a general rule, 'a day exclusively set apart for religious observance' is a day when the pupil's parents would be expected by the religious body to which they belong to stay away from their employment in order to mark the occasion. If in doubt, schools should 86 seek advice from the parent's religious body about whether it has set the day apart for religious observance. 358. If a religious body sets apart a single day for a religious observance and the parent applies for more than one day, the school may only record one day using this code; the rest of the time would need a leave of absence, and this is granted at the school's discretion as set out under Code C. Schools and local authorities may seek to minimise the adverse effects of religious observance on a pupil's attendance and attainment by considering approaches such as: ● Setting term dates around days for religious observance; ● Working with local faith groups to develop guidance on absence for religious observance; ● Taking INSET days that coincide with religious observance days; and ● Providing individual support for pupils who miss sessions on days exclusively set apart for religious observance.
S	Leave of absence for the purpose of studying for a public examination *Statistical authorised absence	Schools maintained by a local authority and special schools not maintained by a local authority can grant leave of absence, under regulation 11(5), for a pupil to study for a public examination and the leave has been agreed in advance with a parent who the pupil normally lives with (or the pupil if they will be over compulsory school age by the time of the absence). Study leave should not be granted by default once tuition of the exam syllabus is complete and should be used sparingly. If schools do decide to grant study leave, provision must still be made available for those pupils who want to continue to come into school to revise.

T	Parent travelling for occupational purposes *Statistical authorised absence	The pupil is a mobile child and their parent(s) is travelling in the course of their trade or business and the pupil is travelling with them. A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place. Schools should not unnecessarily ask for proof that the parent is travelling for occupational purposes, this should only happen when there are genuine and reasonable doubt about the authenticity of the reason for absence given. If there is doubt over the reason given, the school may ask for proof that the family are required to travel for occupational purposes during the period of absence. To help ensure continuity of education for pupils, when their parent(s) is travelling for occupational purposes in England, it is expected that the pupil should attend a school where their parent(s) is travelling and be dual registered at that school.
U	Arrived in school after registration closed *Statistical uauthorised absence	Where a pupil has arrived late after the register has closed but before the end of session. Schools should actively discourage late arrival, be alert to patterns of late arrival and seek an explanation from the parent. All schools are expected to set out in their attendance policy the length of time the register will be open, after which a pupil will be marked as absent. This should be the same for every session and not longer **than 30 minutes.**
V	Educational Visit of Trip *Statistical authorised absence	The pupil is attending a place, other than the school or any other school at which they are a registered pupil, for an educational visit or trip arranged by or on behalf of the school and supervised by a member of school staff. The visit or trip must take place during the session for which it is recorded. If the pupil does not attend the visit or trip the school must record the pupil's absence using the relevant absence code.
W	Attending work Experience *Statistical authorised absence	The pupil is attending a place for an approved educational activity that is work experience provided under arrangements made by a local authority or the school as part of the pupil's education. The work experience must take place during the session for which it is recorded.

X	Non-compulsory school age pupil not required to attend school *Statistical authorised absence	Schools maintained by a local authority and special schools not maintained by a local authority can grant a leave of absence, under regulation 11(7) or (8) for a pupil not of compulsory school age to attend school part-time. **Under compulsory school age** In cases where a parent wishes their child to begin school on a part- time basis in line with the school admissions code, schools maintained by a local authority and special schools not maintained by a local authority may give leave of absence for sessions the pupil is not expected to attend. This must be agreed between the school and the parent they normally live with and must end at the point at which the pupil reaches compulsory school age. The times and dates when the pupil is expected to attend the school must be agreed by the school and the parent with whom the pupil normally lives with. **Over compulsory school age** Where a sixth form pupil's timetable does not require them to be on site for every session of the week, a school maintained by a local authority or a special school not maintained by a local authority may give leave of absence The times and dates when the pupil is expected to attend the school must be agreed with the parent with whom the pupil normally lives with or the pupil.
Z	Prospective pupil not on admission register *Statistical authorised absence	To enable schools to set up registers in advance of pupils joining the school to ease administration burdens.

Changes

L	All schools are expected to set out in their attendance policy the length of time the register will be open, after which a pupil will be marked as absent. This should be the same for every session and not longer **than 30 minutes.**

H	Authorised holiday has been removed from the list. The C code should be considered in cases where the H mark would have previously been used.

New Codes

Absent	Leave of absence	
C1	Leave of absence for the purpose of participating in a regulated performance or undertaking regulated employment abroad. *Statistical authorised absence	All schools can grant leaves of absence for pupils to undertake employment (paid or unpaid) during school hours. Schools maintained by a local authority and special schools not maintained by a local authority can only do so in the following circumstances: Where the local authority have granted a licence for the pupil to take part in a performance regulated by section 37(2) of the Children and Young Persons Act 1963. Where a pupil does not need a licence for such a performance because an exception applies under section 37(3) of the Children and Young Persons Act 1963, including where a Body of Persons Approval (BOPA) covering the pupil has been issued by the local authority in whose area the performance will take place or the Secretary of State. Where a Justice of the Peace has given the pupil a licence to go abroad for a performance or other regulated purpose under section 25(2) of the Children and Young Persons Act 1933.
C2	Leave of absence for a compulsory school age pupil subject to a part-time timetable *Statistical authorised absence	All pupils of compulsory school age are entitled to a full-time education. In very exceptional circumstances, where it is in a pupil's best interests, there may be a need for a temporary part-time timetable to meet their individual needs in line with paragraphs 67 – 70. Schools maintained by a local authority and special schools not maintained by a local authority can grant a leave of absence, under regulation 11(6) to temporarily reduce the timetable of a pupil of compulsory school age to part-time, if the school and a parent who the pupil normally lives with have agreed that, exceptionally, the pupil should 84 temporarily be educated only part-time and have agreed the times and dates when the pupil will, during the period of temporary part-time education, be expected to attend the school. Schools that are not required to follow regulation 11, must still use this code to record when a pupil is absent with leave because they are subject to a part-time timetable in line with an agreement between the school and a parent the pupil normally lives with that the pupil should temporarily be educated part-time.

		Where a pupil is receiving a full-time education, but only part-time at the school in question (e.g. dual registration, part-time unregistered alternative provision or flexi-schooling) this code must not be used and the appropriate code for why the pupil is not in school for that session should be used.
Absent	Unable to attend school because of unavoidable cause	
Q	Unable to attend the school because of a lack of access arrangements *Statistical authorised absence	The pupil is unable to attend the school because a local authority has a duty set out in regulation 10, 12 or 13 to make access arrangements to enable the pupil's attendance at school and have failed to do so.
Y1	Unable to attend due to transport normally provided not being available *Statistical authorised absence	The pupil is unable to attend because the school is not within walking distance of their home and the transport to and from the school that is normally provided for the pupil by the school or local authority is not available. Walking distance in relation to a child under the age of 8, means 2 miles, and for a child of 8 or above, means 3 miles. In each case measured by the nearest available route
Y2	Unable to attend due to widespread disruption to travel *Statistical authorised absence	The pupil is unable to attend the school because of widespread disruption to travel caused by a local, national, or international emergency.
Y3	Unable to attend due to part of the school premises being closed *Statistical authorised absence	Part of the school premises is unavoidably out of use and the pupil is one of those that the school considers cannot practicably be accommodated in those part of the premises that remain in use.
Y**4**	Unable to attend due to the whole school site being unexpectedly closed *Statistical authorised absence	Where a school was planned to be open for a session, but the school is closed unexpectedly (e.g. due to adverse weather), the attendance register is not taken as usual because there is no school session. Instead, every pupil listed in the admission register at the time must be marked with code Y4 to record the fact that the school is closed. This code may not be used for any planned closure such as weekends or holidays.

Y5	Unable to attend as pupil is in criminal justice detention *Statistical authorised absence	The pupil is unable to attend the school because they are: • in police detention, • remanded to youth detention, awaiting trial or sentencing, or • detained under a sentence of detention. If a pupil is remanded to local authority accommodation, they should attend school as normal where possible and where it is not possible any absence should be recorded using the appropriate code. A pupil's absence should be recorded under code Y7 (Unable to attend because of any other unavoidable cause) if they are unable to attend because they are serving a community based (i.e. non-detained) part of a sentence of detention, referral order, or youth rehabilitation order that requires them to be absent during the school day. Schools are expected to communicate with the pupil's Youth Offending Team worker while the pupil is in custody and remains on the school roll to discuss the pupil's educational needs, progress and return to the school upon their release where appropriate. Education is a key part of effective resettlement, therefore it is important that 89 schools maintain contact with the Youth Offending Team throughout the sentence to support the child's resettlement where appropriate.
Y6	Unable to attend in accordance with public health guidance or law *Statistical authorised absence	The pupil's travel to or attendance at the school would be: • contrary to any guidance relating to the incidence or transmission of infection or disease published by the Secretary of State for Health and Social Care (or the equivalent in Scotland, Wales and Northern Ireland), or • prohibited by any legislation relating to the incidence or transmission of infection or disease
Y7	Unable to attend because of any other unavoidable cause *Statistical authorised absence	An unavoidable cause, that is not covered by one of the other 'unable to attend' codes detailed above, is preventing the pupil from attending the school. This code should be used only where something in the nature of an emergency has prevented the pupil from attending the session in question. The unavoidable cause must be something that affects the pupil, not the parent. The fact that a parent has done all they can to secure the attendance of the pupil at school does not, in itself, mean the pupil has been prevented by unavoidable cause.

J1	Leave of absence for the purpose of attending an interview for mployment or for admission to another educational institution *Statistical authorised absence	Schools maintained by a local authority and special schools not maintained by a local authority can grant leave of absence, under regulation 11(4), where an application has been made in advance by the parent who the pupil normally lives with (or the pupil if they will be over compulsory school age by the time of the absence) and the leave is to enable the pupil to attend an interview for employment or admission to another educational institution.
K	Attending a Provision arranged by the Local Authority i.e. Alternative Provision Placement *Statistical authorised absence	The pupil is attending a place, other than the school or any other school at which they are a registered pupil, for educational provision arranged by a local authority under section 19(1) of the Education Act 1996 (exceptional provision of education), section 42(2), or 61(1) of the Children and Families Act 2014 (special educational provision off site). A pupil attending provision arranged by the school rather than the local authority must be recorded using Codes P or B instead.

Dear Parent, Carer

We are writing to share an update regarding attendance and to remind you of the importance of regular school attendance for your child's learning and wellbeing.

At our school, we closely monitor attendance to ensure every child has the best opportunity to succeed. Even small amounts of absence can have a significant impact over time.
To help put this into perspective:

- **95% – Nearly there**
  This equates to approximately 9 school days missed across the year.
- **94% – Needs to improve**
  This equates to approximately 11 school days missed across the year.
- **90% – Persistent absence**
  This equates to around one month of school missed across the year.

Our current attendance figure for to date is: **[insert current attendance % here]**.

We kindly ask for your continued support in ensuring your child attends school every day, arrives on time, and avoids unnecessary absences wherever possible. If your child is unwell or there are exceptional circumstances, please inform the school as soon as possible.

If you have any concerns or need support in improving your child's attendance, please do not hesitate to contact us. We are here to help.

Thank you for your ongoing support.

Dear Parent/Carer of

Re: Attendance Letter Stage 2 – below 90% attendance

At Elloughton Primary, we strive to work supportively in partnership with parents in relation to their child's school attendance to help ensure that every child has the opportunity to fulfil their potential and attend regularly and consistently. An aspect of this partnership is to keep parents informed of their child's attendance at regular intervals and to communicate concerns arising regarding attendance.

I enclose a copy of **'s school attendance record. You will see that **'s attendance is now **%. Whereas we recognise absences are related to period of illness / term time holiday, I am sure you will agree this percentage is a cause for concern.

At Elloughton Primary, all pupils whose attendance falls below 90% will be supported by school staff to attend as fully as possible so that the maximum benefit of attending school is obtained. Please can we ask that you review the attached attendance record which gives an indication of how **'s absences affect access to learning time in school. An illustration of the impact of absence would be that a child with a 90% attendance record at the end of the school year will have missed 4 weeks of school across the academic year.

Please contact the school office if you wish to discuss with myself or Mrs Holmes, our attendance officer any support we could offer to help improve **'s attendance.

Thank you for your consideration of this letter and for your support of the school's attendance policy.

Yours sincerely

Re: Attendance Letter Stage 3, less than 85%

At Elloughton Primary, we strive to work supportively in partnership with parents in relation to their child's school attendance to help ensure that every child has the opportunity to fulfil their potential and attend regularly and consistently. An aspect of this partnership is to keep parents informed of their child's attendance at regular intervals and to communicate concerns arising regarding attendance.

I enclose a copy of <<forename>>'s school attendance record. You will see that <<forename>>'s attendance is now **«Attendance»** for the Week ending «Weekending» which is a cause for concern.

I would like to invite you to a meeting with me to discuss any ongoing problems affecting attendance. The purpose of the meeting is to introduce an Attendance Contract, in which we will agree how to further support yourselves in improving <<forename>>'s attendance, and to understand the consequences if the situation does not improve. Mrs Holmes, our attendance officer, will be in touch with you to arrange a suitable time.

Please note that further advice and support will be sought by school from our Educational Welfare Officer where low attendance continues to cause a concern. I must also remind you that you have a legal responsibility as a parent to ensure your child attends school regularly and the national benchmark for regular good attendance is 95%.

Thank you for your consideration of this letter and for your support of the school's Attendance Policy. I look forward to meeting you to discuss how together we can gradually improve <forename>'s attendance.

Re: Attendance Stage 4. Less than 85% and declining

At Elloughton Primary, we strive to work supportively in partnership with parents in relation to their child's school attendance to help ensure that every child has the opportunity to fulfil their potential and attend regularly and consistently. An aspect of this partnership is to keep parents informed of their child's attendance at regular intervals and to communicate concerns arising regarding attendance.

As you are aware from previous correspondence and meeting on *** we are concerned about <Forename>'s attendance during the current academic year. Unfortunately despite agreeing an Attendance Contact <Forename>'s attendance has declined further.

One of the ways we support parents to meet the national attendance expectations (95%) is to work withour Education Welfare Officer. The role of the Education Welfare Officer is to support regular attendance and help to remove any barriers which may prevent a child from fully accessing the education to which <he/she> is entitled. The Education Welfare Officer will attend further meetings should we require them.

I would therefore like to invite you into school to attend a meeting with myself and the Educational Welfare Officer, so we can formally discuss the current situation and ways that <forename> can be supported to improve <his/her> school attendance.

The provisional date for this meeting is <Date>, <Time>. Please do contact us if this date is not convenient.

The purpose of the meeting is to review the Attendance Contract, in which we will agree how to further support <Forename> in improving <his/her> attendance, and to understand the consequencesif the situation does not improve.

<Forename>'s attendance will continue to be monitored in the interim and hopefully significant improvement will be made.

Yours sincerely

Absence from School for Exceptional Circumstances
Information for Parents

There is no longer a provision in law for Headteachers to authorise an absence for the purpose of a term time holiday.

You are required under the Education Act (1996) to ensure your child attends school regularly. This has been defined by the Supreme Court as 'in accordance with the rules prescribed by the school' meaning attending every occasion available unless authorised by the Head Teacher. There is, however, a discretionary power held by Headteachers to authorise absence in exceptional circumstances. Please note this is **not an entitlement.** The Headteacher will only authorise absence in line with the East Riding Behaviour & Attendance Partnership 'Absence from School for Exceptional Circumstances' Policy. Headteachers will not authorise absences if they believe it is to the detriment of a child's education. **Please note that supporting documents to aid decision making must be submitted at the time of your request for absence.**

Any unauthorised absence will be recorded on your child's attendance records. This may result in legal proceedings against you, either through a Penalty Notice or the Magistrates' Court.

Penalty Notices

Under the Anti-Social Behaviour Act (2003) the local authority and schools have statutory powers to tackle poor school attendance and/or unauthorised absences. An unauthorised absence is any absence that the Headteacher has not given permission for or where an explanation has not been provided by the parent. If your child accrues 10 sessions of unauthorised absence, you may be liable for a penalty notice (one day's absence equals two sessions and a five-day absence is equal to 10 sessions etc.).

Penalty Notices will be used as a deterrent to prevent a pattern of unauthorised absences developing. They will be issued by post direct to the home of a parent after possibly just one warning, or in the case of absences without acceptable cause, warnings may not be given. This includes pupils caught on truancy sweeps, persistent late arrival after the close of registration **or unauthorised absence that has not been authorised as an absence from school for exceptional circumstances.** In these cases, the warning is given on the absence request form and detailed within this information leaflet and no written warning will be given. Where parents do not follow school procedures of submitting a request and simply remove their child without seeking prior approval, a warning may not be given. Parents must complete a request for exceptional leave form and submit this to the school, allowing for sufficient time to enable the school to consider the request and inform the parent of the decision.

Fines are issued for unauthorised absence of 5 or more days and each school day is divided into 2 registration periods. **For example, if your child is absent for one day this equals 2 sessions, and a five-day absence is equal to 10 sessions.**

- If your request is declined and you take your child out of school each person with day-to-day care of the child(ren) may be issued with a £160 penalty notice if paid within 28 days this reduces to £80 if paid within 21 days. If after 28 days the fine remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.

- Where it is deemed appropriate to issue a second penalty notice within 3 years of the first penalty notice, the second penalty notice will be charged at a flat rate of £160 if paid within 28 days. If after 28 days the fine remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.

- If a third penalty notice referral is received within a 3-year period, a further penalty notice fine cannot be issued and legal action will be considered.

Support and guidance on attendance is always available and if you have any questions about this, or if you need help to achieve an improvement, please contact your child's school to discuss this.
We advise that you do not plan for your child to be absent from school without gaining prior agreement from their school first. Headteachers cannot retrospectively authorise absence from school under any circumstance.

To Parents of

I am in receipt of your "Exceptional Circumstances Request form" to take your child away from school during term time.

All schools in the East Riding have adopted the East Riding attendance policy. As a parent you are required under the Education Act (1996) to ensure that your child attends school regularly. The policy states that for consideration to be given to requests there must be evidence of exceptional circumstances and your request for a holiday does not fit into this category.

Any unauthorised absence will be recorded on your child's attendance record. Fines are issued for unauthorised absence of 5 or more days in a 10 week period. Each school day is divided into 2 registration periods. For example, if your child is absent for one day this equals 2 sessions, and a five-day absence is equal to 10 sessions.

- If your request is declined and you take your child out of school each person with day-to-day care of the child(ren) may be issued with a £160 penalty notice if paid within 28 days this reduces to £80 if paid within 21 days. If after 28 days, the fine remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.

- Where it is deemed appropriate to issue a second penalty notice within 3 years of the first penalty notice, the second penalty notice will be charged at a flat rate of £160 if paid within 28 days. If after 28 days the fine remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.

- If a third penalty notice referral is received within a 3-year period, a further penalty notice fine cannot be issued and legal action will be considered.

Your child will be marked as unauthorised for ** sessions for this absence.

I thank you for your support in this matter.

Yours sincerely
