Dear Parents

In the first few weeks of the school year we carry out a baseline on our early years children so we can measure the progress they make throughout the year. We recognise that as parents you have a fantastic understanding of what your child can and can't do already. Therefore we really value your input into our baseline judgements so we can get fully rounded picture of your child.

Please help us by simply answering yes or no to these few questions (it is often best to go with a gut reaction rather than consider a statement for too long)

1. Willing to try out new things and is open to new experiences Y / N
2. Maintain focus for a period of time, showing high levels of engagement and paying attention to detail Y / N
3. Keeps on trying and doesn't give up at the first difficulty Y / N
4. Shows satisfaction when he/she has accomplished something that they set out to do. Y / N
5. Confident to talk about their own needs, wants, interest and opinions Y / N
6. Maintains attention and concentration when listening to others. Y /N
7. Can respond to 'how' and 'why' questions Y / N
8. Responds to instructions with two or more parts. Y / N
9. Is dry and clean during the day and manages own hygiene Y / N
10. Knows that print carries meaning and how to handle books Y / N
