parents are responsible for their children after school hours

Hi, my name is Sue and I've been a parent at Elloughton School for the last 15 years. During this time I have seen many children & parents come and go; been witness to 3 different head teachers and lots and lots of wonderful teaching and support staff. The one constant has been the provision of a PTA within school – ours being FESA (Friends of Elloughton School Association.) FESA has changed over the years depending on the parents involved and the schools commitment but consistently this Association has provided much needed funds to support wonderful 'extras' to benefit all our children. FESA is now in peril and danger of becoming extinct!!

I step down this year as my youngest goes up to South Hunsley and many others have children starting their final year in September. We desperately need new blood to take over the reigns and run with new ideas for future fundraising. We mustn't underestimate what difference these funds make within school, look at the fun the children have on the Pirate Ship and the Pick up sticks. Our children also have the outdoor classroom, the tardis (currently in another time dimension but heading back to 2016 sometime soon, I'm reliably informed) plus many books, soft furnishings within the library and so on and so on...

So please, take time to think do you still want a **Christmas Fair, a Summer BBQ, a Halloween Party, School Discos...** well none of these will happen by themselves, we need organisers and helpers. If the load is shared by many then life is a lot easier. Please don't expect a handful of committed parents to do all this work on their own because it won't be long before they have all moved on.

**Please come along to the AGM in September (date to be confirmed)** with your enthusiasm and ideas and bring along some friends to share the load. I can honestly say some of my best memories of Elloughton School have been working on the refreshments (drinking mulled wine!) at the Christmas Fair, being the Quiz master at the Quiz nights (getting flak from parents and staff!) or doing nail painting at the Halloween Parties- dressed as a witch! It's a fabulous chance to make new friends, have fun and make much needed funds for those wonderful 'extras' which our children absolutely love. *Many thanks for reading this, I shall miss Elloughton School very much and I wish FESA every success in the future.*

# BE ECO COOL & HELP YOUR SCHOOL

**Bag2School recently raised £128 Well done to everyone for having a clear out and raising this amount for our school - great work!**

**Be inspired to recycle**

When we recycle, used materials are converted into new products, reducing the need to consume natural resources. It is good for the environment but not only that... it can help us raise vital funds for our school.

We can recycle **ink cartridges, pens and felt tips, biscuit wrappers, postage stamps, cables and wires and school uniform.**

The recycling shed is situated to the right of the Year 1 entrance door and is looking very dapper after it's recent makeover. It has had a new paint job and some funky bright stickers added to make it really stand out from the crowd.

The recycling boxes inside the shed have been updated as well so it is easier than ever to see where to put your collected items. PLEASE, PLEASE, PLEASE do use it. We will be looking at what our recycling raises in our next newsletter.

please JOIN US **STRONGER TOGETHER**

Our next meeting will be our AGM in September (date TBC). Please join us to help raise funds to improve the future of **YOUR** children.

This is so easy to set up. Just need to click on [www.thegivingmachine.co.uk](http://www.thegivingmachine.co.uk) before you shop on-line. Last term this brought us in an extra £45 with only 20 people registered
