## Dodgeball Year 3/4

Our Year 3/4 Dodgeball team took to the competition with determination and desire to succeed as they took on the local schools in a thrilling tournament. With incredible teamwork and precision when throwing, Elloughton looked to be a formidable competitor right from the start. Playing with high intensity and drive proved to be too much for other teams as they excelled through to the semi finals. The semi finals was just as exhilarating and saw our team through to the finals and finishing the tournament in a very dignified second place.

Well done Team Elloughton!

## Football Year 5/6

The Year 5/6 football team have been extremely busy over this term playing in several tournaments that has tested their abilities as a team. Playing some of the strongest teams around the Hull area and the local schools, Elloughton proved that they are deservedly a strong competitor within this area. Playing end to end football and using intricate passing to beat team defences, Elloughton displayed some fantastic footballing ability. Having being placed into the top table of teams, Elloughton made certain that they would stand up to the plate and challenge against the best.

## Cross Country Key Stage 2

Children from all year groups in Key Stage 2 attended a cross country event showing true determination and will power. Having to run through hilly terrain and thick mud Team Elloughton endured the tough challenge and came out with some great achievements on the other side!

## Netball

We're delighted that following the success of our school netball squad in recent years we have so many children keen to play netball. It's been a delight to watch the children progress from Year 3. We're immensely grateful to Mrs Bateman who works with Mrs Fulstow to coach the squad perfecting ball handling skills and team tactics.

The term started well with a keen bunch of players eager to perfect their skills. During the winter we have been able to maintain this momentum and enthusiasm by training at South Hunsley using their indoor facilities every Friday night.

Here's to another successful term as we compete in the High Five Netball League

## Parents Evening System

When your child is selected for an event, an email will be sent to you inviting you to log on to the parents evening system.

If your child wishes to participate, can you please confirm their place as soon as possible. If your child doesn't want to take part, please call the office as soon as possible so that we can arrange for another child to take their place.

Thank you.

## Hockey Year 5/6

In the past week Year 5/6 made the trip to South Hunsley to take on the local schools in a hockey tournament. Right from the start Elloughton proved to be a dangerous threat as they passed and moved the puck cleverly through the team to test the opposition, having caught the eye of the local hockey coaching community! They played superbly through the group stages displaying great teamwork and capability just missing out on a spot in the semi finals by one goal. The Elloughton hockey team should be extremely proud of the way they played during the competition!
