Year 3/4 Tennis

Champions! The four Year 3/4 tennis players did themselves and the school proud once again at the Humber Games. Exquisite tennis was played in sweltering conditions with the focus of retaining the crown of Humber champions and they didn't disappoint. Winning the competition by a good margin shows the ability and determination these children show repeatedly and the attitude shown by all was exemplary. Well done and congratulations. #teamElloughton

Year 5/6 Tennis

Champions! The children arrived in a confident mood having practised well over the weeks leading up to the Humber Games. They played the best players from the Humber region and competed extremely well showing their quality when it mattered. It was a closely fought competition however the stars from Elloughton prevailed and left with the title of Humber Champions. Well done and congratulations. #teamElloughton

Humber School Games—Netball

The netball team again showed their undeniable qualities at Hymers playing numerous games in tough conditions and against the best the region had to offer. Led by Mrs Thompson and Mrs Fulstow, the girls got off to flying start and breezed through the first few games scoring an impressive amount of points in the process. It came down to the final game of the day to see who would be crowned Humber champions. In an incredibly tight game the girls couldn't gain the vital win and finished 2nd overall, however they still qualified for the Yorkshire championships held in Sheffield. Congratulations and a huge well done. #teamelloughton

Yorkshire Netball Championships

The girls progressed to the pinnacle of their, so far, short netball careers whilst at primary school. The impressive Institute of Sport in Sheffield hosted the top 8 schools from all around to see who would come out on top and be crowned Yorkshire Champions. At the beginning of the school year, 1,775 schools entered the competition, this meant the standard of netball was extremely high and a joy to watch. Our girls didn't disappoint and after a couple of nervy opening games soon got into their stride and showed tremendous spirit and togetherness to not only compete but brush aside a couple of well organised teams, during these games the girls also had to come back from being behind showing their unbelievable resilience. It was an extremely close fought championship with all teams appearing to beat each other.....once all the balls had been thrown, interceptions made and total points added up, the results were in. Having come 2nd in the Humber school games to another local team, the girls were elated as the results were read out and they had finished higher than their previous fellow finalists, showing their continual improvement but also having respect at the same time. Elloughton School Netball team can proudly say they are the 3rd best team in Yorkshire. Well done to all girls who have worked so hard over the last 4 years and to the coaches who have worked tirelessly with them. Congratulations and a massive well done, we wish you all the very best in the future. #teamelloughton #thesegirlscanplay

Year 5/6 Orienteering

The orienteering team entered the Games as the first ever participants from Elloughton Primary School. Having breezed through the qualifying rounds showing real determination and teamwork, they again had to step up in the grand setting of Hymers. We are all so proud of how the children worked together on a physically challenging event and finishing in a respectable place. Well done. #teamelloughton

Congratulations @Elloughton PE on achieving School Games Mark GOLD!
