## Outstanding Elloughton

This term has been jam packed with plenty of sporting events where the pupils of Elloughton Primary School have once again exceeded above and beyond in displaying their ability and sportsmanship when representing the school at league matches, competitions and Sports Day! We have shown ourselves and other schools that we are a force to be reckoned with.

### Year 3/4 Quad Olympics

The Year 3/4 team did themselves and the school proud with their athletic talent, speeding through in the running events and showing impressive ability when jumping and throwing. It was a testing day for the children but they showed amazing resilience to make every event a tough competition for other schools.

### Year 5/6 Quad Olympics

The Year 5/6 team also had a fantastic day with the Quad Olympics picking up some hard-earned victories with 1st place in the sprints, long distance and in the throwing event. Pushing themselves to their limits they displayed some tremendous energy and amongst the crowd their team mates and supporters were definitely cheering the loudest.

### Year 5/6 Rounders

The Year 5/6 rounders team put in a huge performance as they stormed the competition of the local area leaving the other teams in the dust with a resounding 9 run lead and deservedly putting them through to the finals. Although there was a step up of difficulty the team managed to pull together to put forward an entertaining competition where their skills set were put on show.

### Orienteering

Well done to our orienteering teams who showed real determination and teamwork during the qualifying rounds which saw some participants through to the final! We are all so proud of how the children worked together on a physically challenging event and finishing in a respectable place. #TeamElloughton

### Year 3/4 & Year 5/6 Tennis

The children came prepared and ready to take on the challenge. Great rallies and unreturnable winners were constantly displayed throughout the tournament leaving the competitors stunned. Spectacular performances from the team made it enjoyable to watch and have also been awarded with a place in the Humber Games Tennis final.

### Year 5/6 Tag Rugby

The children entered the tournament with determination and great team spirit as they took on the tough challenges ahead. Using their quick passing and evasive skills they displayed some terrific tries that impressed both teams and spectators alike. With the children's heads held high they competed bravely against the other schools picking up skills and tactics as the day went on. It was a great experience for the children and an important introduction to the sport which we can carry on through to the next competition!

### Year 5 Football

It has been an extremely busy term for the Year 5 football league having played 3 league matches. The football has been fast flowing and extremely exciting with our players putting in a tremendous effort in each and every game. With jolting runs, some excellent ball work and dribbling the children have torn past other schools' defences scoring some magnificent team goals. Everyone has been willing to test and try new positions to better the team and to give opportunities to others which is excellent to see. Their skills placed them into the finals this week and they came away proud owners of medals!

### Year 5/6 Girls Football

To finish off the year the girls football team had a last final blow out before moving on to South Hunsley as well as some assistance from the interest of the Year 5's. Due to the incredible enthusiasm of the girls we had a large number to mix and match teams to play against the other local schools. The girls played terrific football getting stuck into every challenge and breaking down defences with their direct football catching other teams out on the counter. During the competition both Elloughton teams faced each other which proved to be an end to end game with no holding back.

### Netball Champions

A huge well done to our netball squad for Year 5/6 who have achieved so much this year. They were the winners of the High Five Netball League. As a result they qualified for the Humber Games and the team were awesome winning all their matches playing against teams from Hull, East Riding and North East Lincolnshire! #WinnersAreGrinners

### Year 6 Football

The Year 6 football has also been particularly busy playing in numerous competitions at Hunsley over this past month. Playing some fast-paced football and intricate passing the team managed to weave through most schools' defences. On our own defence the team held firm applying immense pressure making it extremely difficult for the other schools to set up play and to even dribble with the ball. Throughout both competitions playing 8 games to only lose 1 game in total has set the standards incredibly high.
