Dear Parents

During the Autumn term, in Year 1, our main curriculum driver is history.

We will be exploring 'changes within living memory'. We will be focussing on the changes, similarities and differences between the 1960s and the present day.

In Year 1 we love hands-on learning and endeavour to use real life, concrete resources that the children can handle and work like historians.

If you or any family/friends have any items from around 1960-1969 and would be willing to let us borrow them we would be very grateful. We're looking for items such as small kitchen appliances, toys, clothes, money, music, technology, holiday photos or photos of homes/shops/cars etc.

We do have curiosity cubes that could be used for more delicate items that you'd prefer not to be handled freely by the children. Please let us know if this is the case.

If you can help please bring your item(s) in a named bag during the first week of the new September term. We will return your items before the end of the Autumn term.

Kind regards  
The Year 1 Team
