4th March 2021

Dear Parent/Carers

Arrangements for Returning to School - 8th March

I hope that you and your families are well. We are all looking forward to welcoming everyone back next week. I am quite sure many children are excited about being reunited with their friends and everyone learning together in school. No doubt parents are excited at the prospect too!

Enclosed are our plans for returning to school. Thankfully they are very similar to the arrangements we had prior to Christmas and very little has changed with regards to managing the site. However, please take time to read through the guidance with your child once again to refresh them of the procedures. We will of course spend time next week reiterating our high expectations and daily routines.

In accordance with the latest guidance, we are maintaining all the necessary measures that are designed to ensure that the school is as safe as possible. As always, the welfare of our pupils and staff has been at the forefront of all our planning. Naturally, there may be some parents and children who are apprehensive about returning to school. However, we hope any concerns will be alleviated once next week is underway.

I sincerely hope this will be the final return to school. After what has been such an unusual and bizarre year, we are excited to be welcoming everyone back. We look forward to seeing the school coming alive again with the buzz and energy of children learning. Most of all it will be a joy to see their happiness when being reunited with pupils and staff once again.

If you have any further questions, please contact admin@epsch.co.uk and your email will be forwarded to the relevant member of staff.

With best wishes,

Mrs Fulstow
Headteacher
