18th June 2021

Dear Parents/Carers

Class Structure 2021/2022

As the end of the school year is almost upon us I am writing to let you know the class structure and teaching staff for 2021/22.

As always the staff have spent a great deal of time and care organising the new classes, trying to get a balance of friendship, gender and ability, thinking carefully about which children work well together. We really do appreciate parents' support in understanding the rationale for why children have been placed in a particular class. As always, the staff and I are more than happy to discuss with you how we can help your child settle into their new class.

We are hosting transition sessions on Thursday 24th June and Tuesday 29th June where children will meet their new class teacher and spend time with their new class.

We are all looking forward to September in the hope that we can begin to return to Elloughton School as we know it and make a fresh start!

Yours sincerely

Mrs C Fulstow
Headteacher
