

“I have lived in the area for nearly 40 years and our children started their schooling at Elloughton Primary School. Have worked for two world-class international organisations; the last 10 years as an Executive Director. I have been the Chairman of the Strategic Planning Group of the Council. I am also a local Councillor and a publicly elected Governor (from East Yorkshire) of the NHS Foundation Trust and elected Chairman of the statutory Appointments, Terms and Conditions Committee. I spends quite a bit of time on improving our local community and it’s welfare”.

Regards

Dr S A Muzaffar
