

GOVERNOR OF THE MONTH

JANUARY

James Fairbank

Why did I choose to be a governor at Elloughton?

I decided to be a governor because my wife, Mrs. Fairbank, is a teacher at Elloughton. I've always been interested in what's happening there, and since my son Edward will go to the school one day, I wanted to help keep Elloughton an amazing place for him.

My favourite thing about being a governor is...

The best part of being a governor is helping to make the school the best it can be. Hearing that all of you are doing well in school makes me really happy, and knowing I played a small part in that is even better. I also love being the OPAL Play governor and helping make exciting projects happen!

All about me!

I work with social media, like Facebook, TikTok, and Instagram, which I really enjoy. At home, I'm married to Mrs. Fairbank, and we have a son named Edward. When I'm not playing Monster Trucks and Dinosaurs with Edward, I'm a big football fan and have loved watching Hull City since I was little.
