

GOVERNOR OF THE MONTH

OCTOBER

Lesley Hemingway

Why did I choose to be a governor at Elloughton?

I loved being a teacher and when I retired I wanted to continue being actively involved in Primary Education and make use of the skills and experiences I had built up in my teaching career. I applied to be a Local Authority Governor and was delighted when a place came up at Elloughton so close to home.

My favourite thing about being a governor is...

Elloughton is such a warm, inviting and happy school where there is always something new and exciting happening. I have especially enjoyed joining in with lessons, assemblies, class trips, sports days and other school events where I have met so many lovely pupils and parents. It is a pleasure and a privilege to be part of Team Elloughton and contribute to the continuing success of the school.

All about me!

I was a Primary School teacher for 28 years and am now retired

I have 2 daughters, 3 grandsons and 1 granddaughter who I love spending time with. Two of my grandsons live in Tokyo Japan and I love visiting them there. Having grandchildren gives me the chance to go to theme parks and farms, fly kites, make sandcastles, read out-loud and generally have lots of fun.

In my spare time I enjoy travelling, walking and bird watching with my husband, going to the gym, swimming, reading and spending time with friends.
