

GOVERNOR OF THE MONTH

FEBRUARY

Max Czech

Why did I choose to be a governor at Elloughton?

I absolutely Love Elloughton Primary and wanted to get to know the school better. When I saw how much the school did: OPAL, School trips, rewards, etc, I wanted to see how I could get involved, give some time back and get closer to the children and experience it closer to their point of view.

My favourite thing about being a governor is...

Getting to know staff members and children better; understanding school education programmes better; helping the school in areas where the school needs it and learning new ways of working or challenges different to industry.

All about me!

I was born and grew up in France and moved to the UK in 2012 to study Chemistry in York.

I have lived in Yorkshire ever since and I am now French and British.

I have 2 children at Elloughton School Sienna in Year 1 and Luca in Year 5. I play Piano and like riding the bike, running, skiing and camping, anything outdoors.

I work in Hull in industry where we make bandages and medical devices for people who are not very well when staying in hospitals.
