

Governor Profile

Lesley Hemingway

My name is Lesley Hemingway, the new Local Authority Governor and I am very much looking forward to joining the governing body and contributing to the continued development and success of Elloughton Primary School

I recently took early retirement, after teaching in Middle and Primary Schools since 1978. During this time education had undergone many and varied changes, but the learning experiences, enjoyment and achievements of the pupils remain at the heart of a good school. Being a governor means I can make use of the skills I have gained through teaching and being a parent in a practical and worthwhile way

My own interests include walking, bird watching, swimming, reading and travelling.
