Dear Parents/Carers,

Home Learning Expectations for EYFS

The purpose of Home Learning in EYFS is to practise, revisit and retain previously learnt skills whilst also becoming fluent in recall of number bonds. We also wish to develop children's reading fluency and comprehension skills.

In order for your child to make the best progress they can, we feel short **daily** bursts of these activities are best. We have seen the success and increased confidence in the children in our school who have been doing these daily activities and want all our children to benefit from this.

Daily Home Learning Expectations

<ul style="list-style-type: none">● Doodle Maths EVERYDAY Children should complete at least 2 or 3 sets each day.	<ul style="list-style-type: none">● Reading aloud EVERYDAY Children should read their school book daily to increase fluency.
--	---

We urge you to help your child to become independent in these daily activities. Build them in as part of your morning or afternoon routine and your child will soon be working independently.

Yours sincerely,

The EYFS Team
