

FRIENDS OF ELLOUGHTON SCHOOL ASSOCIATION

FESA is the parent run fundraising charity for our school. We raise money throughout the year at a series of exciting events to provide additional resources for the children which standard school funding would not be able to provide. Thanks to the generous donations of our school community, this year we have been able to fund DoodleMaths, new books, a new outdoor classroom, musical instruments and have started a 'grow your money' scheme for every class.

HOW CAN YOU HELP?

TAKE PART

Simply by attending events and making small donations you are helping our school enormously. Every penny we raise goes into enriching the school environment for our children so every single penny counts!

If you own a small business you could consider donating products or services for raffles, auctions and sales.

Use Amazon? Simply switch to using smile.amazon.co.uk and choose us as the charity. We will receive a donation from Amazon for every purchase you make. And it costs you nothing!

Join the school lottery for £1 a week. There are weekly cash prizes as well as a £25,000 top prize each year. Visit www.yourschoollottery.co.uk/play and search for our school..

SHARE IDEAS

If you have fundraising ideas, share them! We're always looking for new, fresh and fun ideas to raise money for our school. Especially in the current challenging climate.

VOLUNTEER

Events are kindly organised by the FESA team but further support is often needed on the day for events to go ahead. If you're going to an event anyway you could consider taking short shifts on stalls, helping set up, tidy away.

Supporting FESA events is fun, rewarding, totally flexible and you make many connections with other parents and teachers. No commitments needed! But if you would like larger involvement then please get in touch!
