Residential Trip East Barnby Meeting

Dear Parents/Carers of Year 5 pupils,

Our Year 6 pupils have recently returned from their residential visit to East Barnby and had a fantastic time. We have received some excellent feedback from parents and children who have just returned.

"I think it has been an invaluable experience for Ben, it will really help his confidence as he heads towards South Hunsley and we really appreciate the time and effort it takes to put something like this together so thank you so much!" Mrs Redman

"Thank you so much for giving the kids the opportunity to experience adventures such as this - I'm certain these events will live long in their memories." Mr Bentley

As a result of the success of this year's visit, we have now made a provisional booking with East Barnby for your child to attend this year. The proposed trip is on Monday 2nd November – Friday 6th November 2020.

A meeting has been arranged for parents on 20th January 2020 at 5:30pm for further details about our visit. There will be an opportunity to find out more, ask questions about the trip and raise any queries you may have.

The cost of the centre is £349, which includes all activities, hire of equipment, accommodation, catering and transport. Please be advised that unfortunately there has been a slight price increase from last year as the centre no longer receives government funding so therefore the centre has had to renew their charges. However, we still consider this to be value for money and comparable with many other centres offering similar provision. Parents will be asked to pay a non-refundable deposit and can begin to pay by instalments well in advance, the amounts and deadlines will be forwarded after the meeting.

We will finalise the booking once we have sufficient interest from parents. We consider this type of trip to be very valuable and worthwhile, providing stimulating and challenging experiences for the children.

Yours sincerely

Mrs Fulstow
Head Teacher
