29<sup>th</sup> April 2024

Dear Parents/Carers of Year 5 pupils,

### Meeting Invitation – 5-day residential visit to East Barnby

We are currently in the process of planning the residential visit for our Year 6 children to East Barnby in the Autumn term. In recent years this has been extremely successful and all the children who've attended have had a fantastic time. We have been given a provisional booking of Monday 4<sup>th</sup> – Friday 8<sup>th</sup> November 2024.

Feedback from Year 5 parents last year was that they would have preferred more advance notice about the planned trip so they could budget for it hence why we're informing you before they've completed this year's residential.

Here's a few comments about last year's visit:

*"...I cannot thank you all enough for giving every child lots of memories that will last forever."*

*"...thank you to all the staff who have spent the week at East Barnby. Way back when we had the initial meeting, I remember you all saying how much fun they will have but I didn't realise just how true it was."*

*"...thank you for not only providing the most amazing experiences, but for also being caring, nurturing and instilling perseverance, independence and confidence in the children."*

*"The night before the trip [my child] cried herself to sleep as she didn't want to be away from home for a whole week... but since she got home, she has talked non-stop about all the fun she's had, how supportive everyone has been, and they all looked after her.... The stories she has to tell just keep on coming."*

A virtual meeting has been arranged for parents on Monday 13<sup>th</sup> May 2024 5.00 – 5.30pm, to share further details about our planned visit. There will be an opportunity to find out more, ask questions about the trip and raise any queries you may have. Please follow the link:

<https://meet.google.com/twm-nbpo-czr?hs=122&authuser=0>

The cost of this visit this will be £405 per pupil, which includes all activities, hire of equipment, accommodation, catering and transport. The slight price increase from previous years is due to the centre no longer receiving government funding so therefore the centre has had to review their charges. However, we still consider this to be value for money and comparable with many other centres offering similar provision. Parents will be asked to pay a non-refundable deposit and can begin to pay by instalments well in advance, the amounts and deadlines will be forwarded after the meeting.

We will finalise the booking once we have sufficient interest from parents. We consider this type of trip to be incredibly valuable and worthwhile, providing stimulating and challenging experiences for the children to develop them in many ways.

Yours sincerely

Mrs C Fulstow
