7th February 2024

Dear Parents/Carers

Young Voices – Tuesday 20th February 2024

Please find below, the final arrangements for the Young Voices concert taking place on Tuesday 20th February 2024 which all the children and staff are really looking forward to.

Children need to come to school wearing their school uniform and the Young Voices T-shirts will be given out during the morning. We will be leaving for the arena at 12:30pm. The children will have their lunch at an earlier time of 11:45am. Please provide your child with **two** packed lunches. One for lunch time and one for teatime (to be eaten at the arena). All children must bring at least **one** large bottle of water for the arena. Please bring only water as this is the best way of staying hydrated over such a long period of singing. Please may we request if children require any motion/travel sickness medication that the correct dosage is given to the school office in a sealed envelope. On the outside of the envelope please clearly state the child's name and the dosage with instructions for administering.

The venue doors open for parents at **6pm**. The concert organisers stipulate that no cameras or video recorders, in any format, are allowed in the arena and will be confiscated by security staff. Mobile phones are allowed but you should not use these to video or photograph the performance. Please remember that parents, who have tickets, must make their own way to the concert whilst the choir will travel together on the school coach.

The concert begins at **7pm** and finishes at approximately **8:45pm** and all children will be travelling home together on the school coach. You will be able to collect your child from school on our return. Our expected time of arrival back at school is **10:15pm**. If this time changes for any reason you will be contacted via Reach More Parents.

The following morning, children may attend school slightly later than usual, if you feel that they need to catch up on some much-needed sleep. Children will be asked for their lunch choice in advance of this day so that a school meal can be ordered/prepared for them if necessary. We do however expect all children to be present in school by 10.30am at the very latest.

As always, this promises to be a wonderful experience for the children and I'm sure they will all proudly represent our school at the arena. If you have any further queries, please do not hesitate to contact us.

Yours sincerely
