Dear Parents/Carers,

Learning to play a musical instrument is proven to enhance a child's social skills, academic achievements and personal confidence.

We will be returning to **Elloughton Primary School** in September 2020 to continue instrumental tuition and are pleased to say we will have some additional places available to new pupils.

We are asking anyone who is interested in their child starting instrumental lessons to complete a form so we can gauge the level of interest and plan our teaching time in school accordingly.

We are currently offering instrumental lessons to **children in years 1-6** in Keyboard, Guitar and Ukulele. We also run an extremely popular 'Introduction to Music' course specifically for Foundation & year 1 children who may not yet know which instrument they wish to learn.

For the next academic year, we have introduced a new monthly direct payment system which divides the cost of lessons over the 12-month period from September 2020 to August 2021 at a cost of £28.00 monthly. For this, the children will receive a minimum of 30 small group lessons and 6 private lessons over the academic year, which represents excellent value for money. The children will have access to an online digital classroom which we use to post weekly lesson logs, video tutorials and any additional information that helps keep you well informed and aid the children with practice between lessons. We have been developing our new stepped curriculum in which the children work towards certificates at each level, taking them from complete beginners through to competent music readers with good instrumental ability. This comes complete with a parental guide, so you feel able to support your child in their musical learning.

We do offer private lessons too, these are popular, but places are limited. If you would like more information on this option, please feel free to request this.

If you would like further information on this opportunity, please complete the online form using the following link: <https://forms.gle/dVH15dKBuRSFHKQQ9>

This can be completed on a phone, tablet, or computer.

Or you can send an email to office@themusicboxclasses.co.uk, feel free to give me a ring on **07977 985538** or through our 'Contact us' page www.themusicboxclasses.co.uk/contactus.

If your child is already receiving lessons with us, you have been contacted separately and you do not need to complete the form unless you are interested in another instrument or sibling taking lessons. If you have not received a separate email please contact our office.
