25th September 2024

Dear Parents/Carers,

EYFS Pro-Ride Visit – Balance Bike Session, Monday 7th October 2024

The Pro-Ride visit will give the children the opportunity to ride a balance bike. A balance bike will help your child to develop their gross motor skills, as well as the most important skill they need for riding a pedal bike – balance! If your child can already ride a bicycle, this session will help your child improve their balance skills and enhance confidence.

Bikes and helmets will be provided for the session, please ensure your child has a coat and a pair of gloves.

For the event to go ahead we are asking for a voluntary contribution of £6 to go towards the cost of the session. Please pay via Reach More Parents > Payments > Weduc Payments Purse > Available Offers > EYFS Pro-Ride Balance Bike before Wednesday 2nd October 2024.

Many thanks

The EYFS Team
