

## Lockdown Reading Support

Although you are currently not able to come into school to access reading material, there are still so many places in which you can!

### EAST RIDING LIBRARIES

#### Public libraries:

Public libraries are still open. You can still reserve and pick up physical books using the click and collect service, or the East Riding library app. They also have a wealth of ebooks, emagazines, audio books available. You can join online, if you are not a member.

Please join the library here:
