PE, School Sport and Physical Activity at Elloughton Primary School

Summer 2024

What an eventful Summer term we've had!

School Sports Awards

We had a wonderful evening at the East Riding SSP (West) School Sports Awards. Many primary and secondary schools were in attendance, and our children had the privilege of meeting guest speaker Craig Heap, Commonwealth Games Gold medal winning gymnast. It was wonderful to recognise pupils for their hard work, commitment and passion towards Physical Education, Physical Activity and School Sport. Also we were awarded a first place in the active schools category! A brilliant achievement.

Year 6 Festival of Sport

The Year 6 children have had many events this term including: the Year 6 Festival of Sport at South Hunsley (as part of their transition) as well as an afternoon of PE activities led by South Hunsley sports leaders; and, of course, the annual staff vs Year 6 rounders match (we won't mention the score!). More memories made before their next big adventure.

Girls Rugby

Year 5 and 6 girls took part in a coaching session delivered by Ionians to give them an understanding of rugby and its benefits. We are lucky that our area has a club with a thriving girls division, with girls at both county and national representative level.

Year 5 Festival of Sport

Year 5 children attended the Festival of Sport at South Hunsley. A fantastic chance for them to visit our local secondary school and experience their amazing sporting facilities.

School Games - Gold

We are delighted to announce that we have achieved the School Games Gold Mark Award. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are thrilled to have been recognised for our success. We are extremely proud of our pupils for their dedication to all aspects of school sport. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year. We look forward to applying once again in 2025!

Bikeability

Our Year 5 children took part in Bikeability this year. Bikeability is the government's national cycle training programme. The children showed great resilience and learned many practical skills. They developed a better understanding of how to cycle on today's roads, preparing them for a lifetime of confident and safe cycling.

Curriculum - PE Lessons

During the summer term we have been focusing on athletics, cricket, tennis and team building along with outdoor adventurous activities. It has been great to see the children taking a full and active part in our sports provision.

Competitions and Events

As members of the East Riding School Sport Partnership, we have access to a range of events and competitions throughout the year - many of which take place at our local secondary school, South Hunsley. We aim to get as many children participating as possible. We think very carefully about selection, with the most important factor being that children feel confident taking part and have a positive experience. We are very proud of all the children who have represented Elloughton Primary School in events and competitions this year. Thank you also to all staff and parents who have supported us with these events.

Achievements

Our Year 5/6 football team came runners up in the Humberside Cup after a fantastic run in this very competitive league.

Our Year 5/6 football team won the Hymers Invitational Cup.

Our fabulous netball team won all of their games in the local Bee Netball League, and were chosen to represent our cluster group at the School Sports Partnership Final, coming 3rd overall!

We did very well in the Year 3/4 and 5/6 South Hunsley Football Leagues in which many boys and girls got the opportunity to represent the school playing football.

Our Boccia team made it through to the Humber Panathlon Finals.

Second and third place at Panathlon Bowling with one child making it into the 100 Club!

Data

60% of KS2 children attended a competition/event out of school this year (up from 50% last year).
70% of children with Special Educational Needs and disabilities (SEND) attended a competition/event out of school this year. We are so very proud of all those who took part.
