Dear Parent/Carer

Sports Day

The staff and children are all very excited at the prospect of taking part in Sports Day. This is traditionally always one of the highlights of the schools' annual sporting calendar. Although hard to believe, for all children this will be the first whole school event they have taken part in since 2019! For our Year 1/EYFS children this will be a completely new experience.

The bringing of all our children together (albeit keeping separate in their bubbles) is a significant milestone since the first national lockdown in March 2020 and hopefully signifies the start of returning to Elloughton School as we know it.

We feel it is an important event for the children not only to allow sporting abilities to shine but to begin to reunite the community within school. However, following the Prime Ministers latest announcement and due to the structure of our Sports Day, unfortunately it will not be possible to welcome spectators. Whilst we are extremely saddened by this news and apologise for any disappointment caused, we need to comply with the latest regulations. However, we do intend to photograph and film aspects of the day to share with parents. Indeed we have some special roving reporters from some classes to capture the essence of the day so you can all get a glimpse of the day.

It promises to be a fabulous day and one way of creating memories for all our children. Thank you for your understanding and support.

With best wishes,

Mrs Fulstow
