28th May 2021

Dear Parents/Carers,

As you are aware, we are coming to the final half term of the academic year. This year has certainly been a year like no other. With this in mind, we are already starting to introduce transition activities for the pupils to ensure they are ready to progress to Year Five.

As part of our transition, from the 7th June, some of the pupils will be experiencing a reintegration into a larger class setting during maths lessons. This means that some of our Year Four pupils will be in a different class for maths, however we will still maintain our Year Four bubble and adhere to all COVID-19 requirements.

The children have been informed of this change today and will have had a trial run in their new maths groups to ensure they do not worry about this over half term.

Yours sincerely,

Mrs Fulstow Mrs Bennett
Headteacher Year 3/4 Phase Leader
