22nd September 2023

Dear Parents/Carers

Practical Pedestrian Skills Training

Year 4 children are being taught pedestrian skills through a course organised by East Riding of Yorkshire Council. The date for the training will be given to us in due course.

Part of this training will be taught in the classroom, however the important part of the training will be out of school, at the road side, under strict supervision.

To take your child out of school we need your written permission. If you wish your child to take part in the training, please could you complete the consent form overleaf and return to the school by Friday 29th September. Any forms received after this date cannot be accepted. The cost of the training is £2.50 and can be made via Reach More Parents once a date of the training has been confirmed.

We appreciate your support.

Yours sincerely

Mrs C Fulstow
Headteacher
